*Have you heard us on the*

# *radio?*

In recent months, DCTFCU has strived to be more visible in the community; whether it's via social media, the news paper, various community event programs, numerous sponsorships, or our most prominent advertisement go-to: the RADIO! With the help of local radio stations, we've been able to take pride in sponsoring local events and initiatives that make a lasting difference; from sponsoring hours for WBKR St. Jude Warrior Week and being a part of Cromwell Media's West KY Regional Blood Center blood drive fundraiser, we're committed to giving back in meaningful ways.

We've also been a proud sponsor of WBKR Owensboro Burger Week, 102.7 *The Game* Third Region Tournament sponsor, and 100.5 *The Party* Financial Tip of the Day, which ensures we not only contribute to charitable causes, but educational aspects as well. We understand that strong communities are built on support and generosity, which is why we're always looking to give back. Whether it's through fundraising efforts, local scholarships, or partnerships with local businesses. we want to be more than just a financial institution...we want to be a trusted community partner who--you guessed it--***"shows you the difference."***

**IRA Contributions can still be made for the year 2024 through April 15, 2025.**
